### FRIENDLY REMINDERS

Shotguns are NOT allowed to be used in the pistol pit  
Please pick up at least as much brass as you put down

The Speed Limit on the driveway is 10 MPH

*Spring is upon us, and the club is going to be getting very busy! There is a lot of work that needs to be done to get the grounds and shooting stations set and ready for the season. We will be looking for volunteers to help with maintenance, special events and potentially some administrative duties. Please consider spending a little time helping to keep our club in tip top shape all season.*

**If you have not renewed your membership with LGRSC, this will be your last newsletter.**

### CLUB CLEAN-UP DAY

April 21 @ 9:00 am - 5:00 pm

Join us on Sunday, April 21st for our annual Spring clean-up day. All ranges will be closed for the day as we look to clean up the grounds and make any repairs that are needed. General yard work items such as rakes, shovels, weed eaters, leaf blowers, and others will be of great help. Most of all, we need people. We will focus on trash pick-up, clean-up of ranges, repair of target backers, and clearing of downed trees and limbs. This time will count towards the 10 hours of donated time needed for a discount on next year's membership. If you can only come out for an hour or two, please consider doing so. There will likely be another opportunity to help with clean-up, as well as other events where you can help to build up to 10 hours!

### UPCOMING EVENTS

With Spring and Summer comes festivals, carnivals and parades. LGRSC is excited to share that we will be participating in the Laingsburg Lion's Club 41<sup>st</sup> Annual Springtime Festival this year. We will have a booth and will be participating in the parade. We would love to have members get involved in this event to help spread the word about our amazing club and what it has to offer. We will need help building our float, working the booth and participating in the parade. The Springtime Festival is during Memorial Day weekend (May 23-27 with parade on May 25), and we realize that a lot of people will be out of town. However, if you will be around and would like to help with getting the float ready and/or manning the booth for an hour or two, please reach out to Tim Gladstone at [tgladstone2001@gmail.com](mailto:tgladstone2001@gmail.com), Duane Turner at [lgrsc.archery@outlook.com](mailto:lgrsc.archery@outlook.com) or Michele Schimberg at [micheleschimberg@yahoo.com](mailto:micheleschimberg@yahoo.com) for more information on how you can help.

Unable to help with this event? We will be looking into possibly having booths at other area festivals throughout the Spring and Summer months, please do not hesitate to let us know if you would like to help with others in the future.

### ARCHERY UPDATE

The 3D archery league has now come to an end. With an average of over 30 shooters per night, our first attempt at an indoor 3D league was a huge success. Congrats to youth champion, Jonathon Sheridan. Traditional champion, Doug Schaberg, and compound champion Neil Sheridan.

The Outdoor Archery 3D league will start April 14<sup>th</sup> on Tuesday evenings. We will have 20 3D targets with a cost of \$10 per week and the league will run for 11 weeks.

The field and hunter archery league will begin April 9<sup>th</sup> on Thursday evenings. This league is free for members, or \$5 for non-members per week.

Also, do not forget the 4<sup>th</sup> of July archery shoot this year. This event will include 30 targets using the full 3D trail. \$12 for adults, and just \$6 for youth 15 and under. The Rifle range and Pistol Pit will be closed Wednesday July 3<sup>rd</sup> at 5:00 pm for set-up, and will re-open at 6:00 pm on July 4<sup>th</sup>. For more information please contact Duane Turner at [lgrsc.archery@outlook.com](mailto:lgrsc.archery@outlook.com).

*All fees for archery events and leagues help with the purchase of targets, maintenance and improvements to the archery trails and programs.*

### INDOOR .22 LEAGUE

The Indoor .22 League has come to a close. However, if you are interested in joining this league next Winter, the league plans to again meet at 6:00 PM on Tuesdays with make-ups and practices on Thursdays. For more information, please contact Dean Koerner at [deankoerner@gmail.com](mailto:deankoerner@gmail.com).
